Please complete a Jury Application (in detail) for each category of item that you intend to sell at the Market. This allows the judges to separately jury and evaluate each type of item that is submitted. Also, the Market may have varying degrees of space available for individual categories; separate forms help determine which items may be accommodated.

Jury Process

Please submit three samples of your work that are representative of EACH art/craft that you intend to sell in the Market. Please be sensitive to sample size due to the high volume of jury applicants and our space constraints. Jewelers may bring a 16 x 20 inch display board or tray, with jewelry tightly secured to it. You must submit a Membership Application

Product Description

A separate application must be completed for each category of item that you would like to sell at the market. For example, if you are jurying wood items and pottery items, please complete two separate forms. On each form please list the specific items that are being juried (i.e. such as wood plates and wood shelves; or pottery bowls and pottery sculpture). Describe your art/craft, and the process and materials used to create your work. Your descriptions are an important aid in helping to evaluate your work.

Describe your art/craft. If you are jurying bath & body products, please include a list of ingredients with this jury application.
