**Daily vendors will be expected to pay for their space on completion of setup.**

Seasonal vendors can pay by the half season or in full at the start of the season.

If a seasonal vendor fails to pay within a two week period the vendor will forfeit their space. When a vendor fails to pay in a timely fashion, it is unfair to the vendors who pay faithfully.

Half season consists of May 13 through July 29 for first half or August 5 through October 28 for second half.

**If a vendor is not present by 8:30AM and has not notified the Market Coordinator by 7:00 PM Thursday that space may be reassigned.**
